## **ELIGIBILITY & ENROLLMENT**

#### WELCOME TO YOUR NEW EMPLOYEE BENEFITS

#### WHO IS ELIGIBLE

You are eligible for benefits if:

- Your employer has completed an HBAA participating employer agreement and
- You are a full-time associate working at least 30 hours per week

#### EFFECTIVE DATE OF COVERAGE

During the plan year, eligible new hires will be subject to a waiting period determined by the applicable benefit. Most plans will become effective the first of the month following the waiting period. If you enroll in benefits during Open Enrollment, your benefits will be effective August 1st.

#### WHEN TO ENROLL

Benefit eligible associates have the two following opportunities to enroll in the associate benefits program:

NEW HIRE ENROLLMENT. New hires have thirty days from their date of hire to enroll in HBAA's benefit coverages. Most plans become effective first of the month following 30 days. Associates not enrolling during this period must wait until the next open enrollment to elect coverage. If you have questions, please contact your manager.

OPEN ENROLLMENT. For the 2024-2025 plan year, HBAA's annual open enrollment period will take place beginning Wednesday, June 21st, 2024 and will close Friday, July 21st, 2024. All changes and elections will be effective August 1.

#### **HOW TO ENROLL**

If your company has completed a HBAA participating employer agreement you may schedule an appointment with a Benefits Educator by visiting www.BuildersHealthTrust.com or Calling (877) 884-2928.

During your scheduled appointment a Benefits Educator will be able to explain your benefit options and will assist you with enrolling!

#### WHEN YOU CAN MAKE CHANGES

HBAA benefits plan year is from August 1 to July 30. Generally, you can only change your benefit choices during the annual Benefits Enrollment period.

You are also allowed to make benefit changes if you have an IRS "Qualifying Event" during the year, which includes:

- Marriage or Divorce
- Birth, adoption or placement for adoption of an eligible child
- Death of your spouse or covered child
- Change in your spouse's work status that results in cancellation of your benefits
- Your dependent child is no longer eligible
- Loss of coverage through a parent's plan
- · Becoming eligible for Medicare or Medicaid during the year

If you have a life event change, you must submit notification to your manager within 30 days of the qualifying event. Depending on the type of change, you may need to provide proof document-tation (for example, a marriage license or birth certificate). If you do not submit notification within 30 days, you will have to wait until the next annual Open Enrollment period to make benefit changes.

#### WHEN COVERAGE ENDS

Benefits end on the last day of the month in which your employment ends, or when you cease to meet eligibility guidelines.

## **MEDICAL INSURANCE**

#### **BLUE CROSS BLUE SHIELD OF ALABAMA**

HBAA offers two medical plan options administered by Blue Cross Blue Shield of Alabama. Both plans are Preferred Provider Organization plans.

Both plans use the same network of providers who have agreed to charge discounted rates to plan members. The amount you pay for health care will vary depending on whether or not you use in- network providers and facilities. You always have the choice to go to any provider, but you'll pay less if you stay within the Blue Cross Blue Shield of Alabama network.

## **MEDICAL INSURANCE**

#### MEDICAL PLAN OVERVIEW

#### **MEDICAL INSURANCE BASICS**

#### DEDUCTIBLE

The amount you pay for covered health care services before your insurance plan starts to pay.

#### CO-INSURANCE

The percentage of costs of a covered health care service you pay after you have paid your deductible (20% for example).

#### OUT-OF-POCKET MAXIMUM

The most you have to pay for covered services in a plan year. After you spend this amount on deductibles, copayments, and coinsurance, your health plan pays 100% of the costs of covered benefits for the remainder of the year.

#### WHICH PLAN IS RIGHT FOR ME?

#### **HIGH PLAN**

The high plan provides a higher level of benefit coverage. While the premium is also higher, it is for good reason. When you elect the high plan you are automatically enrolled in secondary medical coverage. Secondary medical coverage provides a layer of additional insurance protection designed to significantly lower your overall out of pocket costs. This plan may be the best fit for you and your family if you anticipate regularly using the plan or historically have various medical expenses throughout the year.

#### **LOW PLAN**

The low plan provides a basic level of insurance coverage. The cost of the plan is less because the overall benefit has much higher deductible and overall out of pocket costs. This plan may be the best fit for you and your family if your goal is to have protection against a catastrophic and unexpected medical expense and do not historically have medical expenses.

### **MEDICAL INSURANCE**

#### SECONDARY MEDICAL PLAN OVERVIEW

#### WHAT IS SECONDARY MEDICAL?

You are automatically enrolled in secondary medical coverage when you elect the High Medical Plan coverage option through HBAA. Secondary medical coverage provides additional protection by allowing coverage for various eligible medical expenses that you would traditionally pay out of pocket for.

- Diagnostic tests (such as lab work)
- Hospital charges (facility & physician)
- MRI's, X-rays, Chemotherapy, Radiation, etc.
- Ambulance transportation

- Emergency Room expenses
- Procedures performed at an outpatient facility
- Other covered services (Physical Therapy, Chiropractic care, etc.)
- Mental, Nervous & Substance Abuse

#### **HOW THE PLAN WORKS**

- By electing the High Medical Plan, you will be responsible for covering your first \$1,000 in eligible medical expenses.
- Your secondary coverage plan will then step-in to pay the next \$5,000 of all eligible medical expenses. (Excluding copays - as they do not apply to the deductible)
- Once your Secondary Medical plan has paid out the maximum \$5,000 benefit, you will only have responsibility for an additional \$1,000 in medical expenses.
- Once you have met your total \$2,000 out-of-pocket maximum, your BCBSAL plan will pay 100% for covered medical expenses for the rest of the year!

**Please Note:** Secondary coverage does not cover office visits, prescription drug co-pays or home-health services. \*Example shown reflects single coverage.

HBAA High (\$2,000 Out-of-Pocket Maximum)
